

KEILOR

4 4 6

Behind the Alucobond facade a family home that is built to perfection and boasting 6-star quality throughout awaits your seal of approval if you are a discerning buyer looking for that wow factor. Only your personal inspection can appreciate what this residence has to offer. Built over 3 levels with lift access stopping all floors and featuring expansive open plan living with practical undercover fully equipped outdoor al-fresco area leading to low maintenance rear garden and solar heated infinity pool. Add the outdoor sauna room and you have resort style living at your fingertips. Internally the home features spotted gum timber flooring throughout the living areas, individual split system air conditioners in each room, C-Bus system to control lighting, security, remote security doors, audio, and a host of other
